

Hello Bubbles Families!

We have been thinking about all of you and can't wait until we have the 'green light' to re-open the Swim School and get back into the pool!

The staff has been meeting together virtually, we had our first Social Butterfly Zoom meeting!

Can you find your Instructor?

(Missing from Photo: Ms Elisabeth & Mr Owen)

We will continue to meet and have staff development training so that everyone will be ready to get back to teaching.

Please click the link below and view a video for you your child from your Swim Instructor! – Links are on the Homepage of Customer Connections!

"We really miss swimming with you and can't wait to get back into the pool! We hope you are staying safe and healthy during this time. Make sure to keep practicing your bubbles in the bathtub!"

We will continue to update you regarding Swim School re-opening. Remember, no payments are being posted and no fees are going to be run during this time!

We will see you back at the pool soon!
